

Alyssa Mae M. Estrella

CUSTOMER SUPPORT AND OPERATIONS SPECIALIST

Metro Manila, Philippines | +63 951 450 8576 | alyssaestrella0@gmail.com

Long-term remote work

PROFESSIONAL SUMMARY

Customer Support and Operations Specialist with more than four years of experience supporting international customers and remote teams. Hands-on experience managing Intercom chats and tickets, resolving account and service concerns, documenting cases, and escalating sensitive issues. Creates SOPs, training guides, and Help Center content, tracks support volumes and response times, and uses AI tools to improve speed and consistency.

CORE SKILLS

Customer support: Intercom chats and tickets, email and phone support, queue prioritization, Tier 1 resolution, payment and account support, and escalation

Support operations: SOPs, training guides, Help Center content, support reporting, CRM accuracy, workflow coordination, and independent shift coverage

Systems: ServiceCore, REsimpli, booking platforms, shared inboxes, Google Workspace, Microsoft Office, and AI-assisted documentation

PROFESSIONAL EXPERIENCE

Operations and Customer Support Specialist

July 2025 - Present

Portable Toilet Rental Company and Vacation Rental Operations - *US client*

- Monitor Airbnb and Vrbo guest messages, provide check-in and access instructions, coordinate booking or maintenance concerns, and follow through until resolution.
- Manage customer, rental, job, employee, and service records in ServiceCore and support scheduling, service completion, and follow-up workflows.
- Coordinate customer, technician, vendor, and leadership communication, including estimates, invoices, payments, service updates, and issue follow-through.
- Create SOPs, training guides, customer-facing content, checklists, reports, and process trackers; supported the onboarding and system setup of the company's first field employee.
- Maintain the company website, local SEO, business listings, outbound campaigns, and opportunity trackers.

Real Estate Virtual Assistant

May 2025 - May 2026

US-based Real Estate Client - *Remote CRM and administrative support*

- Used REsimpli to organize lead information, document communication, and maintain accurate CRM records.
- Supported lead follow-ups, database organization, social media, and recurring administrative tasks.
